**SUBJECT: 2004 FEDERAL TRANSPORTATION IMPROVEMENT PROGRAM (FTIP)
ADMINISTRATIVE AMENDMENT # 16 –Modify a project Description within
the FTIP**

Dear Ms. Falsetti:

As the Executive Director for the Stanislaus Council of Governments, I hereby approve **Administrative Amendment # 16** to the 2004 Federal Transportation Improvement Program (FTIP) to change the project description/title of the following previously programmed project:

1. **RSTP:** The current programming calls for Lump Sum programming of the RSTP funds from FFY 2005/06 through FFY 2009/10 for "Pavement Maintenance". As this term is not in the current approved expenditure list for RSTP funds, we are modifying the term to the currently recognized term **"Pavement Resurfacing and/or Rehabilitation"**

REASON:

1. The Federal Highways Administration has notified StanCOG, through the Caltrans Federal Programming Office, that the term "Pavement Maintenance" is not a reimbursable work item under current regulations. We are therefore, changing the description/title of the RSTP Lump Sum Programming of the 2004 FTIP to reflect the term as stated in 40CFR § 93.126: "Pavement Resurfacing and/or Rehabilitation". No other facts (scope, funding, phasing) of the projects are changed.

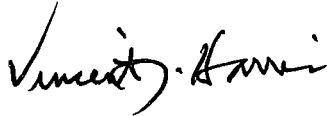

This amendment meets the criteria for changes that may be made administratively (Type 1):

- No new projects have been added;
- Included projects do not affect the air quality conformity determination;
- The implementation of Transportation Control Measures (TCM) has not been adversely affected;
- The StanCOG FTIP remains financially constrained, there are no funding changes in the current triennial element; and
- No scope changes have resulted.

This administrative amendment will be forwarded to Caltrans for review and information. Since this amendment was accomplished administratively, a resolution from the Stanislaus Council of Governments Policy Board is not required.

If you have questions or concerns regarding this administrative amendment, please feel free to call Vince Angelino (vangelino@StanCOG.org) or Bruce Abanathie (babanathie@StanCOG.org) at (209) 558-7830.

Sincerely,
